POLITICAL SCIENCE - II (Political Obligation)

Time: 2 Hours   Maximum Marks: **20**

PART - A (2 X 10= 20 Marks)

Answer all Two Questions. Each Answer should not be less than 500 Words

1. The culture to question and to criticize is a part of the Indianness. This is being fully reflected from our ancient scriptures to the works of present day Indian Scholars. But repressive measures are being initiated by the governments at present with new Norms and Sanctions against those who oppose them. In such a context, explain what would be the important political obligation of the people as citizens of India.

2. "Subjects should obey the government so long as the probable mischiefs of obedience are less than the probable mischief of resistance...taking the whole body together it is their duty to obey, just so long as it is in the interest and no longer" – Critically analyze the statement.

BUSINESS ECONOMICS
Time: 2 Hours   Maximum Marks: 20
PART – A (2 X 5= 10 Marks)
Answer the following questions:

1. a.   Market research has revealed the following information about the market for chocolate bars: the demand schedule can be represented by the equation $Q_d = 1600 - 300P$, where Q_d is the quantity demanded and P is the price. The supply schedule can be represented by the equation $Q_s = 1400 + 700P$, where Q_s is the quantity supplied. Calculate the equilibrium price and quantity in the market for chocolate bars.

    b.   During the 1990s, technological advances reduced the cost of computer chips. How do you think this affected the market for computers? For computer software? For manual typewriters?

2. The equilibrium price and quantity of an apple market is ₹ 8 and 500 kg respectively.

    a. Calculate total and per-kg consumer surplus received in the market?
    b. Calculate total and per-kg producer surplus received in the market?
    c. Calculate total and per-kg economic surplus received in the market?
    d. Indicate the area of consumer and producer surplus in graph.

Answer the following question:

3. Workout TVC, TC, AVC, AFC, ATC & MC and graphically illustrate 7 cost curves. (Output price Rs.12 per Kg). Labour cost=Rs.60/number; Fixed cost is110 (use graph sheet). Find the optimal level of output.

No.of labour	Q	TVC	TFC	TC	AFC	AVC	ATC	MC	TR	profit	MR

RESEARCH TOOLS FOR BUSINESS DECISION MAKING

Time: **2 Hours**   Maximum Marks: **20**

PART – A (4 x 5 = 20 Marks)

Answer the following Questions:

1. Calculate Mean from the following data using short cut method by taking 5 as assumed mean.

Value	1	2	3	4	5	6	7	8	9	10
Frequency	21	30	28	40	26	34	40	9	15	57

2. 1500 workers are working in an industrial establishment. Their age is classified as follows

Age (years)	No. of workers
18-22	120
22-26	125
26-30	280
30-34	260
34-38	155
38-42	184
42-46	162
46-50	86
50-54	75
54-58	53

Calculate Median Age

3. Calculate Mode for the distribution of the weights of 150 students from the data given below

Weight in kg	30-40	40-50	50-60	60-70	70-80	80-90
Frequency	18	37	45	27	15	8

4. Compute Co efficient of Quartile deviation from the following data of marks secured by students in a class

Marks	79	43	40	34	42	41
No. of students	4	7	15	8	7	2

FAMILY LAW - I

Time: 2 Hours   Maximum Marks: **20**
PART – A (20 Marks)

Answer all the questions in detail with relevant legal provisions and judicial pronouncements wherever necessary:

1. Mr. Varunan was married to Mrs. Veenita in January 2020. Mrs. Veenita gave birth to girlin April 2020 and a boy in May, 2021. Mr. Varunan files a petition in court and claims that the boy child was born through his relationship with Mrs. Veenita, but declines his fatherhood for the girl child. He claims that he was unaware of the wife's pregnancy at the time of marriage and files a petition for nullity of marriage. It is proved in court that Mr. Varunan is not the father of the girl child. *As an Advocate for Mrs. Veenita, advise her to defend the case for nullity of marriage under the following situations.*

   a) When Mr. and Mrs. Varunan married under Hindu Marriage Act, 1955

   b) When Mr. and Mrs. Varunan married under Special Marriage Act, 1956
                                                                        (8 marks)

2. Mr. Vijayanth and Mrs. Sharonea were married according to Christian Laws in India in 2002. Mr. Vijayanth was a doctor working in Australia and soon after their marriage, Mrs. Sharonea moved to Australia and they were living together since then. Mrs. Sharonea often insults the qualification of Mr. Vijayanth as a doctor (although he is one of most efficient doctors in Australia, specializing in Cardiology). There were frequent quarrels between them and Mr. Vijayanth alleged that his wife treated him in an insulting manner, kept complaining him for various reasons and humiliated him in front of the others which even included the hospital workers. Frequent quarrels led to mental depression of

both of them. In 2004, she returned to India with their daughter and Mr. Vijayanthdidn't know the whereabouts of them till 2006, when he decides to find them. When Mr. Vijayanth and his mother tried to visit Mrs. Sharonea, they were not allowed inside the house even after numerous visits. He finally decides to file for divorce under the ground of mental cruelty.

a. Decide on the case when Mr. Vijayanth files a petition for divorce on the ground of mental cruelty. Will his conduct of not knowing the whereabouts of his wife and daughter affect the decision for divorce?

b. In the same petition filed by Mr. Vijayanth, can Mrs. Sharonea claim for a relief of divorce under the ground of the cruelty against her husband?

(8 marks)

3. Critically comment on the phrase "marriage between any two persons" under Section 4 of the Special Marriage Act, 1956. Comment your own interpretations along with the rationale from judicial pronouncements.

(4 marks)
